Rule 138

Jacek Saryusz-Wolski (ECR)

Subject: Commission's implementation of Recital 52a and Article 30(7) of the CBAM Regulation

As part of ongoing process to mitigate the negative impact of the Carbon Border Adjustment Mechanism (CBAM) on central and eastern European countries, in particular on Ukraine, I would like to obtain more information regarding the Commission's implementation of Recital 52a and Article 30(7) of the CBAM Regulation¹.

1. Has any country, in particular Ukraine, approached the Commission under Article 30(7) of the CBAM Regulation?
2. What are the subsequent steps taken by the Commission upon receiving a request from a country under Article 30(7) of the CBAM Regulation?
3. In light of the military aggression by the Russian Federation, can Ukraine rely on the application of Article 30(7) of the CBAM Regulation and, if so, to what extent?
