

**Question for written answer E-000227/2024
to the Commission**

Rule 138

Lars Patrick Berg (ECR)

Subject: Gas storage

Regulation (EU) 2022/1032¹ required the Member States to provide 'financial incentives or compensation to market participants' involved in meeting the EU's 'filling targets'.

Can the Commission:

1. indicate which Member States are yet to enact appropriate measures applying to all market participants, both private and state-owned, that played a role in helping the EU to meet its gas storage targets, and
2. indicate what action has been taken to date against Member States that have failed to adopt and implement measures that fully meet the requirements set out in Regulation (EU) 2022/1032?
