

**Question for written answer E-001347/2024
to the Commission**

Rule 138

Cornelia Ernst (The Left)

Subject: Croatian independent border monitoring mechanism implementation

The independent border monitoring mechanism (IBMM) in Croatia, funded by the Commission, has not published any reports for the past two years.

1. What is the Commission's follow-up in monitoring the expenditure and funding of the Croatian IBMM?
2. Has the Commission received or requested any reports from the Croatian IBMM, and, if so, can it disclose the content of these reports?
3. If not, how is the Commission ensuring that the Croatian IBMM is independent, effective and transparent in the absence of any reporting?
