

ORAL QUESTION H-0383/02  
for Question Time at the part-session in June 2002  
pursuant to Rule 43 of the Rules of Procedure  
by Pat Gallagher  
to the Commission

Subject: Measures to boost the European tourism industry

Following the recent informal meeting of tourism ministers and the stakeholders' seminar organised by the Spanish Presidency, can the Commission indicate what concrete measures it will propose to boost the European tourist industry, given the particular importance of the industry and job-creation potential within regions which, because of their peripheral location, have few other generators of economic growth and prosperity?
