

ORAL QUESTION H-1104/05  
for Question Time at the part-session in December 2005  
pursuant to Rule 109 of the Rules of Procedure  
by Jonathan Evans  
to the Council

Subject: Economic growth rates

What was the average difference in growth rates during the past five years between the 12 Member States of the eurozone and the three (UK, Denmark and Sweden) which opted not to join the single currency?
