

**Question for written answer P-005205/2017
to the Commission**

Rule 130

Fabio De Masi (GUE/NGL)

Subject: EU measures in the light of suspected help from Ukraine for North Korean rockets

What is the Commission doing to investigate the suspicion that North Korea's rocket technology was provided by Ukraine, among others?

What action will the Commission consider taking if the suspicion should prove well-founded?¹
