Paragraph 21 a (new)

Joint motion for a resolution

Amendment

21a. Calls on the Commission to improve the safeguard clauses present in the renewal of the temporary trade-liberalisation measures, with a view to helping EU farmers who are heavily impacted by the increasing imports from Ukraine; underlines the importance of reintroducing tariff-rate quotas within 10 days when cumulative import volumes of agricultural products coming from Ukraine reach the arithmetic mean of import volumes recorded in 2021 and 2022; calls on the Commission to ensure that imported products from Ukraine comply with EU standards, especially in the context of the war, which could affect the quality of products produced in the country, in particular in terms of toxic traces; recalls that the revenues from these imports should benefit Ukrainian farmers;
