I added three days of private stay in Cape Town for which I paid privately (flight from Johannesburg to Cape Town was paid by myself and accommodation was private). The return flight was taken from Cape Town to Brussels via London and covered by the University as it had no major price difference when compared with a return flight from Johannesburg.

Shuttles from the Johannesburg airport to the hotel and vice versa as well as between the Hotel and the University Campus were covered by the University. Meals were provided at Hotel and University Campus. The conference will result in a book to be published by Routledge.
