Ref. 163

Rome, 8 July 2022

Ms. Maria Grapini
Vice President
IMCO Commission
European Parliament

Dear Vice President Grapini,

On behalf of **FederUnacoma**, the federation of manufacturers of machinery and components for agriculture and landscaping that is a member of Confindustria, **I would like to invite you to the 45th edition of EIMA International**, the exhibition of agricultural machinery held at the Bologna exhibition centre from 9 to 13 November.

After the brilliant result of the 2021 edition, which was held in a health emergency, the agricultural machinery exhibition aims to confirm its leadership this year in terms of the quality of the technologies on display. With its 14 specialised sectors and five themed halls, EIMA offers the most advanced artificial intelligence systems for every type of processing and every agricultural model.

It would therefore be a great honour for us to have you at EIMA and to inform you that **on 11 November** we have organised a **session dedicated to European parliamentarians** on the subject of **specialised agriculture**. There will also be a guided tour of the exhibition halls and targeted meetings with experts, industry representatives and the press (as per the attached programme).

Hoping you will join us in Bologna, I would like to remind you that, should you wish to stay in the city, the Federation would be honoured to host you at one of the hotels reserved for us.

For organisational reasons, please send a reply to Marco Pezzini (Secretary for Community Affairs - marco.pezzini@federunacoma.it), and/or Ludovica Garbarino (Secretariat of the Presidency and Management - ludovica.garbarino@federunacoma.it).

Thank you for your attention, and best regards.

The President
