Product

Alto Matt MMC

MMC stands for „matt micro coated boards“ and comprises a new manufacturing process in which anti-fingerprint surfaces are created by means of micro-coated papers. This technology achieves an unprecedented deep matt look and unique feel. Thanks to the high-tech papers used, MMC boards are also at the cutting edge of sustainability.

The Alto Matt surface has an extremely matt and soft finish and is available in 5 selected colours for vertical interior applications.

Properties

- anti-fingerprint effect
- deep matt surface
- scratch-resistant
- water-repellent
- stable even at high temperature fluctuations
- lightfast
- easy to clean
- resistant to common household solvents and cleaning agents
