

Interior Pro 2.4 Alucompact

Alucompact combines aluminium with Max Compact in a unique way. The feel of the AP Aptico surface in combination with the powerful presence of the aluminium layers on the edge is characteristic of this product.

Alucompact opens a completely new dimension of design and gives the interior of tomorrow an exclusive atmosphere and high-quality aesthetics.

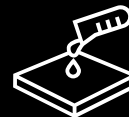

Through technical expertise, confidence in proven quality and our many years of experience, Fundermax offers an inspiring symbiosis with Alucompact that goes far beyond temporary trends.
