1. About HSBC SG Chat

- 1.1 HSBC SG Chat is a messaging service offered by HSBC Bank (Singapore) Limited (the “**Bank**”) to Premier customers. It enables Premier customers to communicate with, send information and instructions to the Bank and receive information and documents from the Bank (through their designated relationship managers (the “**RMs**”) or authorised personnel of the Bank), via a messaging application of their choice. HSBC SG Chat involves the use of Symphony, a third party platform which enables encrypted communication within third-party messaging applications such as WeChat and WhatsApp.
- 1.2 These HSBC SG Chat Terms (“**these Terms**”) apply in connection with your use of HSBC SG Chat. Please read these Terms carefully and ensure you understand them before accepting them and using HSBC SG Chat.
- 1.3 These Terms are in addition and supplemental to, but do not replace, any other terms and conditions applicable to you or services provided by us to you from time to time. Such other terms and conditions include, without limitation, the Terms and Conditions Governing Personal Deposit Accounts, the Premier Terms and Conditions (where applicable) and the Investment Terms (where applicable). You are advised to re-read such terms and conditions in conjunction with these Terms before using HSBC SG Chat.
- 1.4 If you do not agree with any of these Terms, please notify your relationship manager and do not continue to use HSBC SG Chat.

- 2.2 HSBC SG Chat communications will be between yourself and such HSBC representative as necessary. HSBC SG Chat will not involve group chats with more than one customer at a time.
- 2.3 The Bank reserves the right to determine and vary, in its sole discretion, the scope, features, functions, and operation of HSBC SG Chat at any time without prior notice. The Bank also reserves the right to suspend, terminate, withdraw or cancel HSBC SG Chat, for any reason at any time without prior notice.
- 2.4 The Bank may not provide HSBC SG Chat to you where:
 - (a) it has reason to suspect, or becomes aware, that the messaging application account you register with for HSBC SG Chat (such account, the “**Messaging Account**”) is invalid or not under your control;
 - (b) you fail to satisfy identity verification requirements;
 - (c) you are no longer a Premier customer;
 - (d) you have terminated your use of HSBC SG Chat in accordance with the HSBC SG Chat deregistration procedures; or
 - (e) it considers, for any reason in its sole discretion, that it should not provide HSBC SG Chat to you.
- 2.5 For the avoidance of doubt, you remain responsible for performing or discharging all obligations and liabilities created or accrued before suspension or termination of HSBC SG Chat.

3. Your responsibilities

- 3.1 By using HSBC SG Chat, you agree:
 - (a) to communicate with the Bank, and/or receive push notifications, via the Messaging Account;
 - (b) that the information you provide to the Bank (including the information you provide for the purpose of registration and verification and any information uploaded in any HSBC SG Chat communication) will be used or disclosed in accordance with the Bank’s Data Privacy Policy;

- (c) at our request, to execute such documents, provide such information and perform such acts as the Bank may consider necessary or expedient in connection with the provision of HSBC SG Chat to you;
 - (d) to bear all fees, charges or expenses that may be imposed by your service providers or any third parties in relation to your use of the Messaging Account for the purposes of HSBC SG Chat; and

To the extent possible, the Bank will endeavour to notify you prior to such charges or fees being levied.
- 3.2 You must take all reasonable precautions to keep your mobile device and security information safe and prevent fraudulent use.
- 3.3 You'll follow any guidance and security measures we recommend which are based on best practices from Cybersecurity Agency of Singapore and Singapore Police Force. These include:
- (a) following any authentication instructions from us;

 - (g) changing your security details immediately and telling us as soon as possible if you know, or even suspect, that someone else knows your security details, or if we ask you to;
 - (h) keeping your security details and mobile device safe;
 - (i) not download or installing any malware or other software that could compromise the security of your mobile device;

- 3.7 If you don't follow our guidance above about how to stay safe online, you may be liable for any consequences of a security breach. We'll always verify the identity of the person giving us instructions. If you let someone use your device or your security details, we'll assume they're you and act on their instructions as if it were you. This includes allowing someone to register their biometric data on your device. Please be aware that you may be responsible for unauthorised transactions in some circumstances. This includes if you acted fraudulently or you were grossly negligent.
