

Focus on Family

Our family programs offer access to the arts for children and adults of all ages. Free events include a monthly story & art project, Family Fundays, exhibitions, an annual holiday festival and more.

Tuition-based programs including Saturday School and Summer Camps focus on children ages 4 years old and up and provide hands-on, professional guidance in the arts. The best part? Art Connection members at the Smithsonian Level and above receive a 10% discount on tuition-based classes.

Visit the "Youth and Family" section of our website for details.

Artist Initiatives

A benefit like eligibility for the annual Members' Exhibition is a great way to showcase your work in a professional setting.

To learn more visit the "Exhibitions" and "Get Involved" sections of our website.
