

Olive International School is pleased to announce that its Umm Salal Campus has successfully passed the rigorous process of accreditation from Qatar National School Accreditation (QNSA) team. The team of evaluators from the Ministry of Education and Higher Education made a five day visit to the campus evaluating the standards of the school in terms of ensuring high quality education as per the standards of the MOEHE. The School would like to extend its gratitude to all the stakeholders for the unwavering support.

This achievement is yet another milestone during the short period of 8 years and is a testimony to the dedication, hard work, perseverance and commitment of our educators, staff, students, and parents. Henceforth Umm Salal Campus is a certified QNSA accredited school.
