Summary presentation of the ESPP draft joint stakeholder proposals on nutrients in the Circular Economy Act, Chris Thornton ESPP – what process for developing these proposals – overview of current draft (10'') – text available online beforehand.

Discussion

12h45 – 14h00 Lunch

14h-14h45 and 14h45-15h30

5-6 thematic discussion groups (of 8 – 15 people). Not hybridised. Each thematic group has 1 moderator/rapporteur who does not move, paperboard. Other participants all attend two different themes. Themes (proposal, to be adjusted):

- overall EU policy objectives, leadership and coordination
- coherence between different regulations and policies
- waste regulations, waste transport, End-of-Waste
- site permitting (for recycling activities)
- Animal By Products, animal feed circularity
- EU Taxonomy criteria, data, nutrient footprints

15h30-16h00 Break

16h – 17h30

Reports from thematic groups. 6 x 3'' (a few key outcomes)

Discussion of ESPP draft proposals, point by point, taking into account thematic group inputs.

Wrap up – timing and process for finalising draft proposals and for inviting stakeholder support.

17h30 – 18h30 networking drinks

NOTE: Wednesday 22nd January – ESPP workshop on proposals on nutrient stewardship for the Common Agricultural Policy (CAP).
