# Red Hat Summit and AnsibleFest 2025

Dear [your manager's name],

I'd like to attend Red Hat® Summit and AnsibleFest 2025, happening May 19-22 in Boston, Massachusetts. I expect to learn a lot during the week by attending sessions and connecting with Red Hat experts.

Participating in this conference will help me:

- Become more proficient in Red Hat products like Red Hat Ansible® Automation, Red Hat Enterprise Linux®, and Red Hat OpenShift®.
- Accelerate our work on [add project or company initiative].
- Gain valuable experience through instructor-led and hands-on labs, lightning talks, and breakout sessions, which I can apply to my role.

Here's a breakdown of estimated costs:

- Airfare estimate: [insert cost]
- Hotel (X nights at the discounted conference rate): [insert nightly cost] per night, amounting to [insert total cost] plus taxes and fees
- Event registration fee: [insert cost]
- Total: [insert cost]

Additional cost savings are available if we send 3 or more team members. After the conference, I'll circulate a report with a summary of what I learned and how it could benefit our company.

Thank you for considering my request to attend Red Hat Summit and AnsibleFest.
