Nordic Liver Transplantation Registry

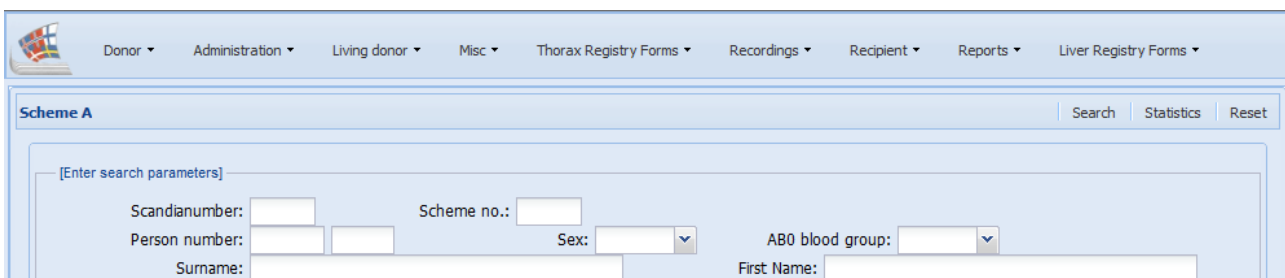

1. Form A (entry on liver waiting list)

Find and enter the 'Liver Registry Forms' menu.

The screenshot shows the top navigation bar of the application. The 'Liver Registry Forms' menu is highlighted with a red circle, and its dropdown options (Form A, Form B, Form C, Form D) are also circled in red. Below the navigation bar, the 'Form A' section is visible, featuring a search area with fields for Scandianumber, Person number, Surname, and First Name, along with an 'Entry on waiting list' checkbox. Buttons for 'Search', 'Statistics', and 'Reset' are located to the right of the search area.

When you enter form A the first screen gives you the possibility to search for recipients that are or have been on the liver waiting list.

The screenshot shows the 'Scheme A' search screen. The navigation bar includes 'Administration', 'Living donor', 'Misc', 'Thorax Registry Forms', 'Recordings', 'Recipient', 'Reports', and 'Liver Registry Forms'. The search area contains fields for Scandianumber, Person number, Surname, and First Name, along with dropdown menus for Scheme no., Sex, and ABO blood group. Buttons for 'Search', 'Statistics', and 'Reset' are located to the right of the search area.

You can search on one or combine parameters.

If you do not enter any search parameters and press search or enter you will get a list sorted by Scandia number with the recipients from your own center.

When you have found the recipient you wish to enter data on you click on it.

2. Registration of information

Now you are able to alter and register new data on the selected liver recipient

Now and then please click on the save button. If you have done registrations that have not been saved yet the 'save button' will be displayed in black writing. If no alterations have been made the writing will be light grey.

3. Form B (liver transplantation)

You enter the Form B from the 'Liver registry Forms' and you search for recipients and enter data the same way as described for scheme A.

The recipients you are able to find in scheme B have been liver transplanted in your own center.

4. Form C (Follow-up)

If you wish to view or add a new follow up you start by searching for the recipient.

View old follow up

If follow up has already been entered you will see a follow up date displayed in the right column (marked green below).

You can look up/alter a previous registered follow up by clicking on a recipient with a follow up date listed.

Add new follow up

To add a new follow you need to enter the Scandia number in the 'Enter search parameters' area and clicking on the 'Add new' button (marked blue below)

The screenshot shows the 'Form C' interface. At the top, there are navigation tabs: Donor, Living donor, Misc, Thorax Registry Forms, Recordings, Recipient, Reports, and Liver Registry Forms. Below these is a search bar with 'Form C' on the left and 'Search', 'Add new', and 'Reset' buttons on the right. The 'Add new' button is circled in blue. Below the search bar is a form with the following fields: Scandia number (circled in blue), Person number, Surname, First Name, and Follow-up date. Below the form is a table with the following columns: Scandia number, Person number, Surname, First Name, Transplant center, NLTR centers, and Follow-up date (circled in green). The table contains 17 rows of data.
