Heart rotation

27apr2022

1. Enter the rotation list to rotate and/or view current status

Enter the 'Heart rotation' menu through the donor tab.

When you enter the 'heart rotation' system you will find:

- The current status

The screenshot shows the 'Heart rotation' system interface. The title bar includes 'Heart rotation' and 'Info'. There are buttons for 'Back', 'Rotate', 'Reset', and 'Print'. The main content area is titled 'Status of list before rotation' and contains a table with 5 rows. The first column lists the rotation order (1. to 5.), and the second column lists the receiving center. The 'Heart rotation' menu item from the previous screenshot is highlighted with a red rectangle. Below the table, there is a note: 'Rotation has to be done when a heart is offered to another country and accepted to an urgency 0, 1 or 2 patient'. There are two dropdown menus: 'Receiving center:' and 'Cause of rotation:'. The 'Cause of rotation:' dropdown is set to 'OK: Organ accepted'. There is also a 'Comments:' text input field.
