

All your needs for working capital and long-term capital will be met and enjoy the best possible deals and quality services.

For working capital and trade finance, in order to help you operate effectively throughout your business cycle, SCB-HCM is willing to specify the types of lending suitable to your cash flow and business plans.

For long-term capital, SCB -HCM offers a wide range of services in long-term loans for investment projects. We are always willing to go along with you through all stages of the project from assessment, consultancy, lending to project management.

The borrowing needs to submit the documents to the bank for creating loan deal such as:

1. Borrowing purpose
2. Business plan/project plan
3. 3 - year Financial statements
4. Legal document such as business license, charter
5. Purchase & Sales Contract
6. Supplier and customer information
7. Documents related to Collateral
8. Other related documents following by the bank's regulation from time to time.
