

Progress towards the Millennium Development Goals

- A.** Eradicate extreme poverty and hunger. **TARGET:** Halve the proportion of people suffering from hunger.
- B.** Achieve universal primary education. **TARGET:** Ensure that all children can complete primary education.
- C.** Reduce child mortality. **TARGET:** Reduce under-5 mortality rates by two-thirds.
- D.** Promote gender equality and empower women. **TARGET:** Eliminate gender disparity in all levels of education.
- E.** Ensure environmental sustainability. **TARGET:** Halve the proportion of people without access to safe drinking water.
- F.** Reduce major diseases. **TARGET:** Halt and begin to reverse the spread of HIV/AIDS, the scourge of malaria and other major diseases that afflict humanity.
