

# UNC SCHOOL OF GOVERNMENT OVERFLOW PARKING

## in the Raleigh Road Visitor Lot

Parking for School of Government visitors is primarily available in the Knapp-Sanders Deck, adjacent to the Knapp-Sanders Building, home of the School of Government.

If the parking deck is full when you arrive, overflow parking will be available in the Raleigh Road Visitor Lot—turn right out of the Knapp-Sanders Deck onto South Road, continue straight through the stoplight at Country Club Road, and then turn left into the Raleigh Road Visitor Lot.

**Parking in the Raleigh Road Visitor Lot is free-of-charge, using the steps below.**

1. **Download the ParkMobile App** at [parkmobile.io](https://parkmobile.io).
2. **Create an account or sign in** if you have an existing account. (Registration includes vehicle and payment information.)
3. Select **"Settings"** from the bottom menu bar.
4. Select **"Promotion Codes"** under the "Parking" section.
5. Select **"Add New"** on iPhone or **"+"** on Android.

You are now confirmed to park for the duration of your course for that day at the School of Government.

Using ParkMobile is only required when parking in the Raleigh Road Visitor Lot. There are no additional requirements, and nothing to display on your dashboard, when parking in the Knapp-Sanders Deck.

*Please note that parking in the Raleigh Road Visitor Lot is reserved on a daily basis. If you need to park in the Raleigh Road Visitor Lot on subsequent days during your visit, you will need to reconfirm your parking selection and enter the promotion code each day.*
