[Upcoming UN 2023 Water Conference Preparatory Meeting and Stakeholder Consultation](#)

On 25 October 2022, as mandated by [A/RES/75/212](#), the President of the UN General Assembly will convene a one-day preparatory meeting, at United Nations Headquarters in New York, to finalize the themes for the interactive dialogues of the Conference and other outstanding organizational matters. More information will be available soon on the webpage. To ensure the meaningful participation of all relevant stakeholders, the President is also convening a stakeholder consultation on 24 October 2022. A dedicated website will be published soon.

[World Water Week in Stockholm](#)

[World Water Week](#) 2022 on the theme “Seeing the Unseen: The Value of Water” took place from 23 August to 1 September both online and in person in Stockholm, Sweden. The co-hosts of the UN 2023 Water Conference, the Netherlands and Tajikistan, with the support of UN DESA and UN-Water, organized several sessions, including [Coffee in the Park - Raising the Ambition of the UN 2023 Water Conference](#); [Talk show - The road to the UN 2023 Water Conference](#); and [Preparing for an Inclusive and Action-oriented UN 2023 Water Conference](#). Speakers and the audience exchanged practical ideas on how to make the Water Conference more inclusive, cross-sectoral and action-oriented, and how to encourage voluntary commitments for the Water Action Agenda. More information about UN-Water related events may be found [here](#).

[Regional Preparatory Meeting](#)

[ECLAC](#)

The United Nations Economic Commission for Latin America and the Caribbean (ECLAC) has published the [second newsletter of the Latin America and Caribbean \(LAC\) Regional Water Expert Group](#). It highlights new publications and events that seek to accelerate SDG 6. It also provides inputs to the LAC Regional Water Dialogues in January 2023 as well as the UN 2023 Water Conference. To join the open consultation focused on Caribbean water priorities, please register [here](#).

To receive periodic updates on the preparatory process for the UN 2023 Water Conference, please sign up for the mailing list [here](#).
