WAGONHOUND LAND & LIVESTOCK CO. ANNOUNCES THE GRAND OPENING OF REID CREEK LODGE

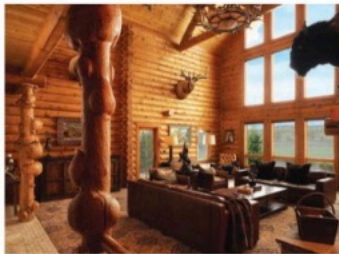

DOUGLAS, WY (June 30, 2022) –

Wagonhound Land & Livestock Co. today announced the opening of Reid Creek Lodge, the brand's first seasonal guest lodge located in the heart of the American West in central Wyoming. Reid Creek Lodge features an 8,000 square foot lodge with seven beautifully appointed bedrooms accommodating up to 22 guests and one group at a time. The exclusive experience includes a personal chef, curated programming, cozy gathering spaces and rustic mountain design. Reid Creek Lodge focuses on being true stewards of the west, respecting the land and its historic roots to keep the peace and serenity that comes with its vast open spaces and grounds.

Located on a private working ranch, Reid Creek Lodge offers unparalleled access spanning 300,000 acres in the heart of the Laramie Range of the Rocky Mountains. Activities offered on property are designed for guests to enjoy authentic experiences and embrace the natural beauty that surrounds them in one of the world's most breathtaking destinations. The lodge's private guides will create a customized itinerary for each group, ranging from hiking, horseback riding, fishing, skeet shooting, wildlife viewing, archery, yoga, spa services and even an overnight camping experience on the property. Guests can also explore the nearby trails with an e-mountain bike or spend the day paddleboarding on one of the many alpine lakes.

"Reid Creek Lodge is a very special place and is a true mountain destination, bringing outdoor pursuits, wellness and luxury amenities to guests in a thoughtful and personalized way," said Andrea Perdue, CEO, Wagonhound Holdings. "We are incredibly proud to debut Wagonhound's first private guest lodge experience in the American West and look forward to showcasing all that the property and grounds have to offer."

Dining at Reid Creek Lodge is unique for each group and includes a personal chef who creates a custom menu to cater to the group's preferences on an individual basis. The day begins with a family-style breakfast allowing for

leisurely mornings to accommodate the group's itinerary. Lunch is planned alongside the adventure whether it is a picnic lunch at the lake, a packed lunch to take on a hike, or a plated affair on the back porch of Reid Creek Lodge. In the evenings, guests can enjoy a majestic mountain sunset while on a cocktail wagon ride creekside before dining at the lodge. After dinner, guests can gather by the campfire for s'mores or stargaze under the crystal clear mountain skies. Accommodations start at \$15,000 per night.
